WHAT THEY'RE SAYING ABOUT

THE GATEWAY GARDENER™

Ann Lapides

Sugar Creek Garden

I thought you might like to know that Gateway Gardener is at the top of my list for advertising next year. I tried different options this year to see what would work, and GG turned out to be one of our most effective! Time and again customers would bring in the magazine asking for the plants we had suggested. The Proven Winner ad was wildly successful, we sold out of all the plants listed and really had to scramble to find more. The calendar section was great, too; we picked up many participants for our programs. Thanks again for helping us survive a tough year!
