

Certify your Garden as an Official St. Louis County Pollinator Pantry Garden

To certify your St. Louis County Pollinator Pantry Garden and receive a recognition sign for your commitment to planning for pollinators in your garden, please print and complete this form.

The following best describes my garden:

- A Small "Happy Meal" Habitat (less than 100 sq. ft.)**
Includes at least one type of milkweed plant (ex. *Swamp milkweed*, *Asclepias incarnata*) and three different types of plants from the Pollinator Pantry plants listed in the 2018 Guide.
- A Picnic for Pollinators (100-500 sq. ft.)**
Includes at least two types of milkweed plant (ex. *Swamp milkweed* and *Orange (butterfly) milkweed* (*A. tuberosa*) and at least 10 different types of plants from the 2018 Pollinator Pantry Guide.
- A Bed and Breakfast of Blossoms for Bees and Butterflies (over 500 sq. ft.)**
Includes at least 3 types of milkweed plants (ex. *Swamp milkweed*, *Orange milkweed* and *Bloodflower* (*A. curassavica*), the annual milkweed) and 15 or more different types of pollinator plants from the 2018 Pollinator Pantry Guide.
- I have shallow water available for these tiny creatures.
- I have made my landscape a safe place for pollinators by decreasing to minimal use or eliminating the use of pesticides.
